For your information the following items were discussed:

Luncheon: everything is in place – reservation forms have been distributed-deadline is April 25, 2003. Reservation forms available on the website. **Donna needs to know who will be representing your group at the head table at the luncheon. Give her a call by April 25 so she can put the luncheon agenda together.**

Students and schools have received their letters with reservation forms.

Dave will get in touch with the speaker one last time before her arrival in Pittsburgh.

Hopefully everything is on schedule for our stamp cancellation.

## **HEINZ:**

Richard and Michael met with Nancy and her staff at the History center on April 7 and a lot was accomplished.

Performances and cooking demonstrations will be on the 3<sup>rd</sup> floor. Display tables and marketplace will be on the 1<sup>st</sup> floor.

**ALL PERFORMERS** - all performers will be required to register upon entering the History Center. Lisa Yee volunteered her time and the time of our newest member Dave Praskovich to “man” the registration table.

Each group is asked to provide a list of performers to Donna sometime prior to the event. Each child performer, upon checking in, will be issued a pre-paid entrance sticker plus two guest stickers. Adult performers will be given a complimentary sticker but no additional stickers. All others will be required to pay admission to the center.

Any group that still wishes to participate, please contact Nancy McCombe at the History Center 412-454-6411 or Richard Wang at 724-941-8885 (h) or 412-386-5072 (w). Dave would like to thank Richard, Michael, Judi and Nancy for their time and effort into getting this performance program off the ground.

Dave and Donna will be at the History Center at 8:00 AM on Saturday, May 3<sup>rd</sup> to help in any way possible.

This year the program will end a little earlier than usual. A wedding is planned right after our event, so we are asking that each group try to start packing up around 2:30 so that we are out of the Great Hall space by 3:00.

A flier will be available on the website within the next couple of days.

See you all at the luncheon and the History Center. I know this year will be another success story.

Richard has extended an invite to help celebrate the new building acquired by the Pittsburgh Chinese Church.

Pittsburgh Chinese Church cordially invites you to attend a worship service dedication of the recently acquired building to God. The service will be held on Saturday, April 26, 2003 from 3:00 to 5:00 PM. The address of the building is 8711 Old Perry Highway, Pittsburgh, PA 15237 which is located behind the North Hills Campus of Community College of Allegheny County (CCAC) off route 19. You may obtain a map and directions from the website [www.PghChineseChurch.org](http://www.PghChineseChurch.org) on the Perry Location page.

Rev. Rockwell Dillaman of Allegheny Center C&M Alliance Church will be the featured speaker. Immediately following the service, a Chinese buffet will be served. We hope you can join us at this joyful occasion.
