Dear Federal Agency Blood Donors,

I would like to offer a word of thanks to all Federal Employee Blood Donors for the support you provided during the 2003 campaign. The Federal Building sponsored seven blood drives during 2003, which collected a combined total of 344 units.

This accomplishment was a key contributor in the treatment of hundreds of patients in our area hospitals. The Federal Building Blood Drive campaign is a vital event for the health care system in Pittsburgh. Thank you again for your faithful support!

**The 2004 Federal Building Blood Drive campaign will begin in February with the first of six drives. The first drive will occur on February 27th in room 200 near the cafeteria. Drive hours are 8:00 AM to 2:30 PM.**

Please use the enclosed sign-up sheet for agency registration. Please ask everyone in your agency to participate. Please return the completed sign-up sheet to Regina at the Federal Executive Board at fax number **412-395-6221** by 2/20/04.

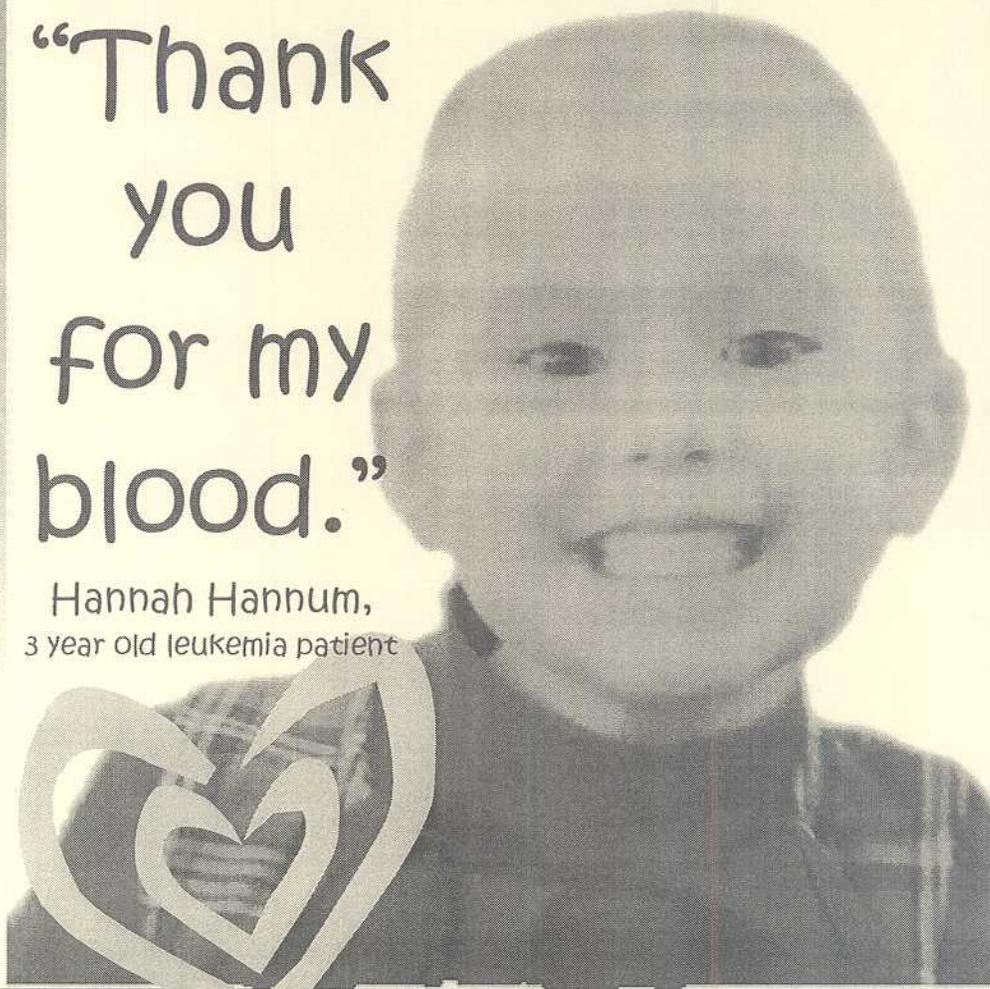

Deep down we all know this one thing: What matters in this life is more than winning for ourselves. What matters in this life is helping others win, even if it means slowing down and changing our course.

Sincerely,

*Michael Pronko*
