The US Commercial Service offers valuable assistance to help your business export goods and services to markets worldwide. From these sites you can access a global listing of trade events, international market research, and practical tools to help with every step of the export process. Let the US Commercial Service help **your** business prosper in today's global economy.

General Information: The US Commercial Service, the export promotion branch of the US Department of Commerce, provides businesses personalized counseling and customized global solutions through its network of 265 offices in 83 countries including 105 local US Export Assistance Centers.

Small Business Assistance:

Focusing on assisting small and medium-sized companies, the US Commercial Service can help determine the best markets for their products and services, develop export strategies, evaluate international competitors, identify and comply with legal and regulatory issues, locate export financing, settle disputes, and win contract bids. Additionally, the US Commercial Service offers primary market research and services designed to identify pre-screened potential international partners and actively promotes US products and services through high-profile involvement in international trade shows, catalogues exhibitions and single company promotions.
